9:05 Admin Update

- Introduce Ismat Bhuiyan and her project
- IHHA website
 - Ask the Experts-need IT help
 - FAQ section
 - Assign "point person" for each topic and link questions to emails
 - What else needs to be on site?
 - topics on lead, radon, asthma, weatherization, carbon monoxide, mold/mildew/moisture, asbestos, pest control, drinking water
 - Karla J. offered to help gather FAQs from MCPHD
- IHHA brochures
- Healthy and Housing Sectors-what we have, who we are missing and how do we get them
 - We need finance and media/IT
- Committee Reports
 - Policy Committee-Karla J (came up with a list of ideas to present for legislation: will send out list, one example is Greg Porter and bed bugs)
 - Lead task force-Joan (Ohio and Michigan both have programs, so Indiana should have on as well)

9:45 Education events

- Asthma Forum (Puff bowl)- September 28th, 2016
 - Gathered some contacts from Daphne/Karla about keynote and motivational speakers for the conference
- HH Summit-now in June 2017
 - Center for Social concern
- Ohio Healthy Homes Network Spring Forum-June 9th, 2016
 - Might be helpful in terms of conference topics and educational materials

10:00 Lead/Water Forum repeat in NW Indiana (Joan)

- Forum may change focus from lead to more water related issues

- Forum should be about 4 hours long, no date is decided yet but hopefully around late July/early August
- Robin from Health Department is in charge of choosing date/time
- Speakers-Notre Dame, IU Medicine
- Will be taking place in South Bend Library-can fit 200 people +100 in breakout room

10:15 Member Updates

- July 20th- Land lord training by Daphne Whitmire if anyone is interested in attending
- School board academy-interested in lead/water- Dr. Kedal
- Joan-Mentioned classes offered (EMI)
- Karla suggested a “seal” for healthy homes, certification so relators and homeowners will be motivated to purchase homes with the certification
