

DIY Natural Green Cleaners

All Purpose Cleaner

Mix together in a spray bottle. Spray surface and wipe clean with a cloth.

Disinfecting Spray

Mix together in a spray bottle. Spray surface and wipe clean with a cloth.

Fabric Softener

**1 Cup White
Vinegar**

**1 Cup Baking
Soda**

Use 1 Cup during the rinse cycle. (Please note: Mixing vinegar and baking soda, will cause the solution to foam up, so pour slowly.)

Glass Cleaner

1 Cup Water

**1 Cup White
Vinegar**

Mix together in a spray bottle. Spray surface and wipe clean with a microfiber cloth.

Toilet Cleaner

1 Cup White
Vinegar

1/2 Cup Baking
Soda

5-10 drops of Tea
Tree Essential Oil

Combine ingredients into a spray bottle. (Please note: Mixing vinegar and baking soda, will cause the solution to foam up, so pour slowly.) Spray on toilet bowl and allow mixture to sit for a few minutes. Sprinkle more baking soda inside the toilet if needed. Scrub with a brush and flush when complete.

Bath and Shower Spray

1 Cup Water

1 Cup White
Vinegar

1/2 Cup Dish
Soap

Mix all ingredients together in a spray bottle. Spray surface and wipe clean. Use weekly to avoid soap scum and build up.

Oven Cleaning

1 Cup Water

1 Cup Baking
Soda

1/3 Cup Salt

Mix baking soda and salt together. Spray surface with water and sprinkle on dry ingredients. Spray the oven again with water. Leave overnight. The next morning wipe out the oven and wash with hot soapy water.

Scouring Powder

1 Cup Baking
Soda

1/2 Cup Borax
Powder

1/2 Cup Salt

1 Cup Water

Combine dry ingredients in a jar. Wet surface with water and sprinkle on your scouring powder. Leave on for 5 minutes then scrub clean with a brush or damp cloth.

Carpet Stain Remover

1/2 Cup White
Vinegar

2 Tbsp. Borax

2 Tbsp. Salt

Rub light carpet stains with a mixture of 2 tablespoons salt dissolved in 1/2 cup white vinegar (add 2 tablespoons borax for larger darker stains). Let the solution dry and then vacuum.

Air Freshener Spray

1 Cup Water

1/4 Cup Baking
Soda

10-20 drops of Tea
Tree Essential Oil

Add water and baking soda to a spray bottle. Mix until baking soda is dissolved. Add in 10-20 drops of Tea Tree Essential oil. Mist around room for a natural and fresh scent.

Disclaimer: Homemade disinfectants and sanitizers are not substitutions for an EPA registered product which is required for use in Indiana's regulated or legal license-exempt child cares. Also please note that air fresheners are not recommended for use in child care.
