9:45 City/County Council

Policy for building permits (local level), no cost, code enforcement

Would city council be willing to do this?

Joan: will be drafting up conditions for the ordinance (including statistics/data) and Margaret and Maryori will invite councilman to our next meeting

10:00 Supplemental Funding Opportunities

Asthma grant Supplemental Funding will be providing us a Law student summer intern

Project: Working with Green Congregation to recruit individuals to wear air quality monitors and collect data about air quality (ground level) across Indianapolis. The goal of this project is to compare air quality on the ground (personal) and IDEMs/EPAs air quality data.

There is also funding to continue the Asthma Friendly Healthy Homes project and buy more "kits" to distribute

10:15 Member Update

Joan: Lead Risk Assessment Training program- June, Lead supervisor refresher course-June 18th

Phillip: New positions in the ISDH Lead program are open

Jack: Will be transferring from ISDH asthma to ISDH lead! Congrats!

Ismat: Will be graduating in two weeks, is looking for full time employment, and hopes to remain a part of IHHA

Kara: World Asthma Day event was a success! TJ Fisher and Dr. Adams (ISDH) did a PSA and advertised "Project O2" campaign

Maryori: MCPHD Healthy Home Event, 2 are scheduled (one in the Chin community center [June 9th] and one in the African Center [TBA])

Reba: Helping to spread the word about programs within the health department to help improve collaboration within the health department. (Networking is key!)
